

I came ~~with~~ accompanied by daughter
Kalanga "Kay" as you addressed ~~me~~ in
short. He arrived on the 26th of May
2011 and we were welcomed at the
Airport by a very cheerful personality,
a girl by the name of Neha, who later
took us to meet Anne. I must say I
came with fear being in a foreign
country, though I was visiting India
for the second time, but Delhi was my
first time. The welcome was overwhelm-
ing and all my fears were put to
rest. Indeed the Bible always tells us
NEVER TO FEAR but to put our TRUST
in God. For all those who believe in God
he always makes a way, where there
seems to be NO WAY. I did not think
never at one time that my BACK condi-
tion will be dealt with and the pain
will be a thing of the Past, I always
knew it would send me to the GRAVE.
I thank God most sincerely for the
OCC Group who from time to time commu-
nicated with my son till the day of our
travel & surgery & our stay till departure.

Our stay was a pleasant one, the Doctors were excellent, the nursing staff too. The surgery was a success, I healed so fast by the love that was displayed to me by all who attended to me and by the Grace of God Almighty who has good plans for my life. We salute the Nursing Staff.

I take this opportunity to say THANK YOU so much to my son who made this surgery happen for the great love he has for me his mother. My gratitude goes to Anne & Arora for your endless love during our stay. We say thank you also to the ever patient driver, Prakash who was always there for us and very patient and always in time. We thank Nehal who ^{was} always there when Neha was not present. We thank the guest house staff for being so cheerful and welcoming, they really made us feel at home.

Last but not the least, my daughter and I find it so hard and painful to part with Neha, who has become part of us in our lives. Neha was always there for me, all my needs were taken care of and reported to Arora and Anne. She works with Confidence, Love, Patience, Kindness. She made me feel at home & loved each time she was close to me, even in my Pain. She helped me come out of it by the way she related to me. We are really going to miss her a lot may God Richly Bless Her all the days of her life and may ~~be~~ God Bless ARORA & ANNE & entire OCC Group.
